REGULAR BOARD MEETING FY26
MONDAY, DECEMBER 15, 2025

Agenda Item: 8e - Policy 3265: Student Owned Electronic Communications Devices

=====

This item is presented as part of the Board’s required annual review of the Student-Owned Electronic Communications Devices Policy. The Executive Director will report on the effectiveness of the policy over the past year, including its impact on student behavior, instructional time, and overall school environment. Following this report, the Board is asked to review the policy and determine whether any revisions are needed or to reaffirm the policy as currently written.
