

RISE Charter School District #562

REGULAR BOARD MEETING FY26

MONDAY, DECEMBER 15, 2025

Agenda Item: 8g – Policy 2710: Early Graduation and Policy

Policy 2710F: Early Graduation Application Form

=====

With RISE Charter School now operating as a full K–12 school and anticipating its first graduating class, as well as potential students seeking early graduation, it is necessary to adopt formal policies and procedures governing early graduation eligibility. Policy 2710 and the accompanying Policy 2710F application form are being presented to the Board for a first reading. These new policies outline the requirements, documentation, and process for students who request early graduation. The Board is asked to review the proposed policies and provide feedback prior to consideration for adoption at a future meeting.
