

**RISE Charter School District #562**

**REGULAR BOARD MEETING FY26**

**MONDAY, DECEMBER 15, 2025**

**Agenda Item: 8h – Policy 2460: Extended Learning Opportunities**

**Policy 2460F1: Application Form**

**Policy 2460F2: Criteria Form**

=====

These policies and forms are being presented for a first reading to establish formal guidance for Extended Learning Opportunities (ELOs) at RISE Charter School. Policy 2460 outlines the framework and procedures for students to pursue individualized, flexible learning experiences outside the traditional classroom setting. The accompanying forms—2460F1 (Application Form) and 2460F2 (Criteria Form)—provide the required documentation and evaluation criteria for proposing and approving ELOs. With RISE expanding learning pathways for students, these documents will ensure consistency, clarity, and compliance with state expectations. The Board is asked to review the proposed policy and forms and provide feedback prior to consideration for adoption at a future meeting.
