

RISE Charter School District #562
REGULAR BOARD MEETING FY26
MONDAY, DECEMBER 15, 2025

Agenda Item: 8i through 8s: All Transportation Policies

=====

The following **eleven policies (Items 8i through 8s on the agenda)** pertain to student transportation and are required for adoption to ensure RISE Charter School remains in full compliance with state and district transportation standards. Because RISE contracts with Kimberly School District (KSD) for all transportation services, our corresponding policies must mirror KSD's current policies. The next eleven policies presented reflect KSD's language and procedures without modification. The Board is asked to review and consider adoption of each transportation policy as presented.
