

RISE Charter School District #562
REGULAR BOARD MEETING FY26
MONDAY, March 16, 2026

Agenda Item:

Amend Policy 4260: Records Available to the Public
Policy 4260F1: Records Request Form

=====

This policy was presented to the Board last month. It is a required update to a required policy. The only change needed was to fill in the blank with the amount to charge per sheet for copies. This draft reflects that change and is presented to the Board for approval of the amendment.
