

RISE Charter School District #562
REGULAR BOARD MEETING FY27
Monday, August 17, 2026

Agenda Item: 8b
Revise Policy 3255: Student Dress

=====

This policy is being presented to the Board for review and approval of the proposed revisions to RISE Charter School's Student Dress Policy. The updated version provides more specific guidance regarding allowable and prohibited attire, as well as exceptions for special events, religious or medical needs, and classes or activities that may require different dress requirements.

The revisions also provide additional guidance for consistent and appropriate enforcement of the dress code, including optional language addressing equitable enforcement and avoiding student shaming or unnecessary loss of instructional time.

The Board is asked to review the proposed revisions and consider approval of the updated policy.
