

RISE Charter School District #562
REGULAR BOARD MEETING FY26
Monday, June 29, 2026

Agenda Item: 8i

Amend Policy 3265: Student Owned Electronic Communications Devices

=====

These updates to the policy add language addressing smart glasses, wearable AI devices, and other wearable electronic devices, specifying that such devices are not permitted during school hours. These devices will be subject to the same rules, procedures, and disciplinary consequences as cell phones and smart watches.

These updates are presented to the Board for review and consideration of approval.
