Agenda Item: 8d
Revise Policy 3330: Student Discipline

=====

This policy is being presented to the Board for review and approval of proposed revisions to the Student Discipline Policy.

The revisions include a new requirement from HB 515 to notify the parents of both the victim and the offender when harassment, intimidation, or bullying rises to a level warranting at least a school suspension. The policy also addresses HB 785's requirements related to inappropriate online behavior, which are further detailed in Policies 3295 and 3295-P(1).

Additionally, language related to weapons in schools has been moved from Policy 3330 into a new Policy 3331. While moving this material is not required, it is recommended to make the information easier to locate and to make Policy 3330 more concise and user-friendly.

This is a required update to a required policy.

The Board is asked to review the proposed revisions and consider approval of the updated policy.
