

RISE Charter School District #562
REGULAR BOARD MEETING FY27
Monday, August 17, 2026

Agenda Item: 8g
**First Reading Policy 3500F: Blanket Consent Form for Health Care
Services for Minor Children**

=====

This form is being presented to the Board for its first reading. In accordance with RISE Charter School policy, the Board cannot formally adopt a new or revised policy item on the first reading and must table it until the next regular meeting for a second reading and consideration for adoption.

The form has been updated to reflect the requirements of HB 860, including specific requirements regarding the content and format of the blanket consent form parents may use to authorize health care services for their minor children. The revisions also address updated requirements regarding the types of care that may be provided without parental consent and include general edits for clarity and consistency.

Because the form needs to be available for parents to complete before the start of school and for Back-to-School Night, the Board is being asked to approve the form for temporary use pending its second reading and formal adoption.

This is a required update to a required item.
