

RISE Charter School District #562
REGULAR BOARD MEETING FY27
Monday, August 17, 2026

Agenda Item: 8h
Revise Policy 3570P(1): Student Records Procedures

=====

This policy is being presented to the Board for review and approval of revisions to the Student Records Procedures. The updates provide clarification and ensure consistency with current federal and Idaho requirements regarding the maintenance, retention, access, release, and protection of student records.

Key revisions include updated timelines for parent access to records, clarification of record retention requirements, expanded requirements for emergency releases and authorized access to records, updates regarding directory information and student photos, and clarification of parent rights to challenge student records.

The Board is asked to review the proposed revisions and consider approval of the updated procedure.
