Policy 4205P: Parent Organizations and Booster Clubs

Procedures

=====
This policy is presented to the Board for review as part of the establishment of guidelines for parent organizations, PTOs, booster clubs, and similar groups affiliated with RISE Charter School. The policy outlines expectations for organizational approval, governance limitations, fundraising requirements, volunteer compliance, use of school name and resources, and financial accountability. It clarifies that such organizations operate in support of the school but do not have authority over school operations, personnel, curriculum, or student discipline.

In accordance with RISE Charter School policy, new policies may not be approved at the first reading. Therefore, the Board is asked to review the policy and table it until the next regular meeting for its second reading and consideration for approval.
