

RISE Charter School District #562
REGULAR BOARD MEETING FY26
Monday, June 29, 2026

Agenda Item: 6a
Fourth Reading of Policy 8705: Generative Artificial Intelligence

=====

This policy is being presented to the Board for its fourth reading. At the previous board meeting, the Board requested feedback from the high school teachers regarding the proposed policy.

This policy is an optional policy and is not required by Idaho law.

Mr. Kevin Riley is present to provide the Board with input and recommendations based on the feedback received.

Following discussion, the Board may take action to adopt the policy, table for further consideration, or decline to adopt the policy.
